

Thanksgiving and Praise

It's amazing to see those God is bringing to the Visual Story Bible website.

There are many "hits" as people browse, but the "visitors" are the ones who stay and activate different pages, download curriculum, quilt patterns, color sheets, watch teaching videos, etc. Reports show daily activity ~ the location of each "visitor" and how many "return visits" they've made to the ministry website.

Halleluyah !!! God's Story is going forth throughout the world.

A pastor from the country of Myanmar contacted the ministry through the website requesting Bible Storying teaching videos be mailed to him.

God put it on my heart to GIVE AWAY the Curriculum when the ministry was established.

The Lord has opened many doors. Internet is a great way to give.

I continue to tell His Story at churches & through other ministry organizations.

We must work while there's light because a time is coming when no man can work.

I've been invited to teach Bible Storying in other countries.

Your donation will help fund my travel and send His Word forth.
